

# To Our Group Guests

## A Brief Introduction

Thank you for your interest in possibly bringing your Group to Discovery Fire.

When organizations, industry, social and private groups contact us, they are not stepping into some impersonal sales process, but rather - the people who love this place, love hosting, and care about helping guests land in the right experience here. We are happy to talk through what kind of experience you want for your group, whether simple group ticketing is enough, or whether pairing it with a ***Private Festival Enclave*** would make the evening even better.

### **Why Discovery Fire Works So Well for Groups**

Discovery Fire works especially well for companies, family gatherings, nonprofits, client hosting, and organized groups because it does not feel like a typical event people have to talk themselves into attending.

Instead of a rigid dinner, meeting, or private room, guests move through live-fire cooking stations, music, drinks, games, and open pasture at their own pace. People eat well, move freely, reconnect naturally, and stay longer than they expected - without needing a formal agenda to hold everything together. That is a big part of why it works so well for groups.

I have attached a few quick flyers that may help in you envision the experience here for your group.

### **Group Ticketing**

For groups that want to attend together, group savings begin at 20 guests:

20+ guests - 5% savings

50+ guests - 10% savings + planning support

100+ guests - 15% savings + planning support

Larger groups - call us to discuss availability, scale, and best-fit options

For many groups, that is all they need - a simple, attractive way to come together and enjoy the full Discovery Fire experience.

### **The Private Festival Enclave Option**

For groups that want a more intentional hosted experience, the Private Festival Enclave is where things get especially good. [{Private Festival Enclave}](#)

An enclave gives your group a defined, reserved space within Discovery Fire - not away from the event or tucked into some disconnected private room, but your own pocket inside the full experience.

Guests can move through the event freely, then return naturally to a place that feels like theirs throughout the evening.

### **This is why groups love it.**

- Gives your people a reliable home base
- Provides greater comfort
- Guaranteed seating
- A natural place for welcomes, remarks, recognition, or toasts
- A setup that feels more intentional and well hosted.
- It creates room for signage, branding, and thoughtful custom touches.

There are many location possibilities for you to consider, depending on the location, your enclave can feel fully immersed in the energy, just outside the densest activity with room to gather, or slightly elevated and set apart while still connected to the full experience. Our planners can help you choose the space and experience that right for you.

### **Private Festival Enclave Pricing**

Up to 50 guests - \$1,000

Up to 100 guests - \$1,750

Up to 150 guests - \$2,500

Over 150 guests - custom quote

Depending on the final location and setup, enclave reservations typically include reserved enclave space, tables and chairs, linens, centerpiece elements, refuse containers, periodic busing and basic upkeep, PA for remarks, signage, branding opportunities, and approved customizations.

### **Planning Support That Takes the Work Off You**

One of the real advantages of working with us is that you do not have to sort through all of the moving parts, that is what we are here for. [Planning Services — Settlers Creek](#)

We have experienced event planners on staff who know how to listen, understand what matters to your group, and guide you toward the right fit. Whether you want something simple and easy, or want to explore a more intentional setup with custom features, we can help think through guest count, date, flow, enclave setting, branding methods, and other enhancements - and do much of the heavy lifting along the way....The goal is to make this feel easy on your end while helping your group land in the right space with the right setup.

### **Experience You Can Trust**

We are less than five miles from downtown Coeur d'Alene, in a beautiful country setting, but this is not a typical "country style venue" the standards here are exacting and our standards don't bend. The setting is pastoral. The execution is polished.

Over the years, we have hosted many of the nation's largest corporations, eight U.S. governors, the USDA, and countless 501(c)(3) organizations. We know how to host. We know how to cook real food over live fire. And we know what a gracious, thoughtful host experience should feel like from arrival to the last plate. [Corporate - Institutional - Non-Profits — Settlers Creek](#)

So while the property feels open, natural, and grounded, the experience is warm, well run, and intentionally done in a way that reflects well on you and makes your guests feel genuinely cared for.

## Why We Love Hosting This

Part of what makes Discovery Fire different is that this is personal to us.

We do this because this is what we love - playing with fire, feeding people, and seeing people enjoy the property we have worked so hard to bring to this point. [{Where it Started}](#) [{About Us}](#)

This did not come out of a template. It grew out of years of building, restoring, cooking, learning, and shaping this place into something people could genuinely feel when they arrived. So when a group comes here, it does not feel like just another booking to us. It feels like welcoming people into something we care deeply about and love sharing.

## A Few Important Notes

The Private Festival Enclave is a separate reservation product.

Guest admission tickets are purchased separately unless otherwise stated.

Space is held regardless of turnout.

Final location, setup, and included features are subject to availability, weather, site conditions, operational fit, and Discovery Fire approval.

## Let's Talk Through the Best Fit for Your Group

The best next step is to call us so we can talk through your group directly.

A short phone conversation is usually the easiest way to discuss your guest count, preferred date, what kind of experience you want to create, whether group tickets alone are the right fit or whether a Private Festival Enclave would make the experience better, which setting may be best for your people, and any custom features you may want to explore.

Please call us at 208-747-7474 to set up a time to speak directly.

[First Name], Thank you again for reaching out. We would be glad to walk through the details, answer questions, and help you land in the right space for your group.

If it is easier, you can also reply with the best number to reach you and a few good times to connect, and we will be happy to call you.

Warm Regards,

Chris J. Varela
